## PAY

The premium is collected around the 25th of the month.

## NEW ATTEMPT

If the premium collection failed, another attempt will be made around the 8th or the 25th of the month.

Have you already paid? Great! Is it difficult for you to pay your premium? **Then please contact us at +31 76 531 0758 or via [financieel@dazure.nl](mailto:financieel@dazure.nl)**. Together we will try to find a solution. Such as a payment plan or we can help you find a budget manager.

## FIRST AND SECOND REMINDER

If the new attempt of the collection failed as well, a reminder will be sent by email to ask to pay within a month. After this month, a second /final reminder will follow.

If you have not paid the premium within 5 days after sending the final reminder, you are **not insured**. Do you have an outstanding payment? Then we can **terminate your insurance**. You will still be required to pay the premium.

## FINAL ATTEMPT

After that, in most cases we will make one final attempt to collect the premium, which will usually take place within 14 days after the final reminder. Legally we can now terminate the policy, before doing the final attempt.

All additional collections are announced in advance. We will send an SMS before the attempt and you will receive an email notification before the final collection attempt. **Always ensure your information is up to date and send any changes to your details to [servicedesk@dazure.nl](mailto:servicedesk@dazure.nl)**.

## ANNOUNCEMENT OF TERMINATION OF THE POLICY

After the last attempt, we will send an email indicating that we are going to terminate the policy. If there is no response, the policy will be terminated within one week.

If all the actions mentioned above have not resulted in a payment or a response, we are unfortunately forced to terminate the policy.
